**Explanation:**

Search for One, Inc., is a non-profit corporation organized for the purpose of providing evangelism through free medical and dental care to the needy people of the Republic of Kiribati. The mission uses sailing vessels to transport supplies, equipment and personnel to the location of need. Achieving this goal requires that trained and competent personnel give, freely and with no obligations, their time and resources to provide services in an organized and coordinated manner.

All persons who volunteer in the field, work for free. In some cases a stipend and, in most cases, food and shelter are provided by Search for One.
